PVT. LTD.

COMPANY PROFILE 2026

Technology that turns ideas into growth.

Websites, mobile apps, AI, marketing and design, built
in-house under one roof.

Thane · Mumbai · Worldwide cerescanopus.com

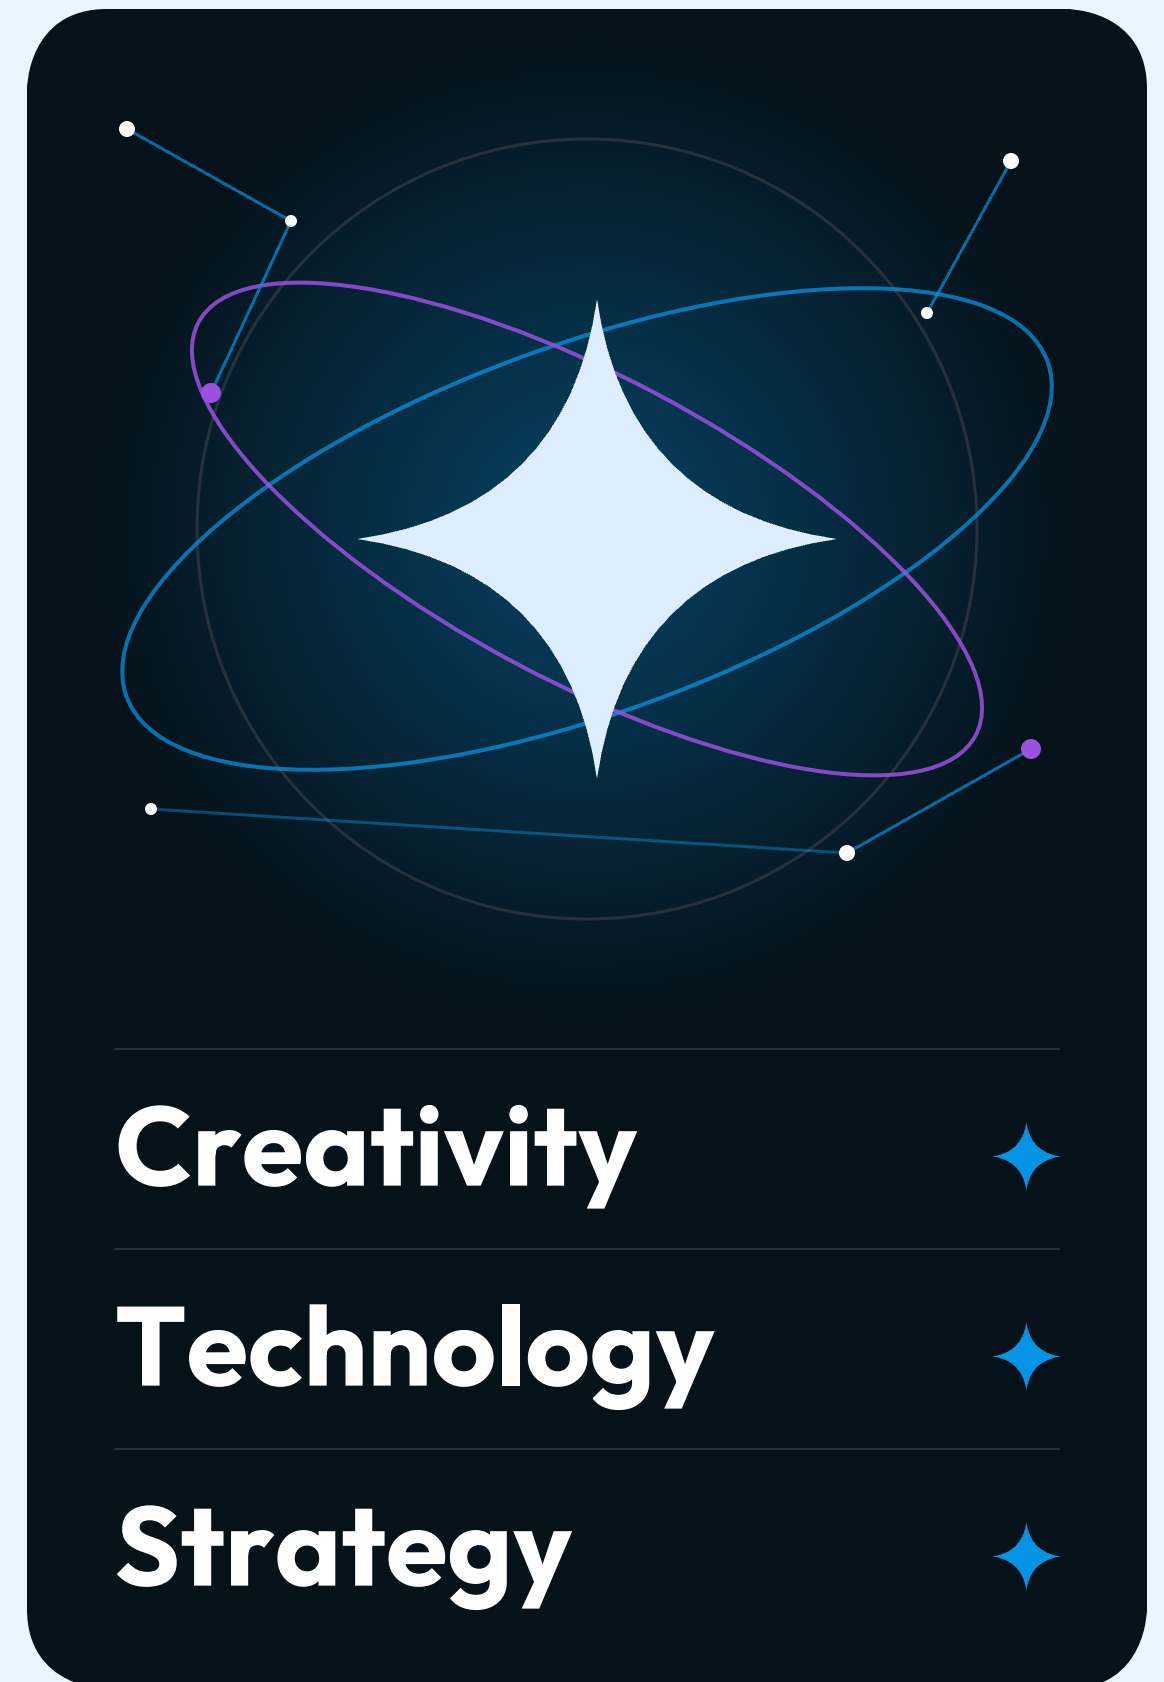

MESSAGE FROM THE FOUNDER

“

Every ambitious business has a goal worth reaching. At Ceres Canopus, we bring creativity, technology and strategy together to turn that goal into a website, an app, an AI tool or a campaign that drives your success. We treat every client as a long-term partner: honest advice, a clear proposal before work starts and support after launch. I invite you to build what comes next with us.

Sarwar Alam Chaudhary

Founder, Ceres Canopus Pvt Ltd

AT A GLANCE

Proven delivery across industries.

70+

CLIENT VOICES

Clients say it best.

In their own words: what clients say about working with us.

The graphic designs created by Ceres Canopus were exceptional and perfectly captured the essence of our brand. Their creativity and attention to detail truly stood out. I highly recommend their services to anyone seeking professional graphic design solutions.

SC Sahbe Alam Choudhari · Graphic design client

Ceres Canopus developed a custom CRM for our business that exceeded our expectations. Their technical proficiency and ability to tailor solutions to our needs have streamlined our operations significantly. A job well done!

AS Aavez Sayyed · Custom CRM client

... Their innovative approach and commitment to excellence transformed our vision into reality. It's been an absolute pleasure working with such a talented team.

JS Jitendra Singh · Client

... Their professionalism and ability to meet our specific requirements were truly impressive. Highly recommended!

NS Naushad Siddiqui · Client
